

GET READY FOR YOUR COLLECTION

Thank you for choosing to store with us. We're delighted to have you on board. Here's how to get ready for your collection:

- Download the LOVESPACE app
- Check we will accept your items
- Pack and seal items securely, and add photos and descriptions using the app
- Stick labels provided in your welcome pack to the side of your box*
- Check we have the right information (number of items, address, etc.)
- Ensure you can be in for the full collection window and have items ready on the ground floor

*Labels can also be printed from your account via the 'MY STUFF' page.
